

WFTO-Europe's Regional Fee for 2018

Brussels, 9 May 2017

In October 2013, the WFTO-Europe AGM approved the fee rationale, based on members' turnover, as indicated in the table below.

Members turnover in the previous year (as registered at WFTO global)	Regional fee
Up to 150.000€	350€
Between 150.000€ and 1.000.000€	550€
Above 1.000.000€	850€

Like other normal prices evolution, fees should also be expected to change on a regular basis. However, given the critical financial situation for most of the European members, the Board decided not to propose any increase in 2015, 2016, 2017 as well as in 2018.
