

Invitation for Candidates and Rules for applying to the WFTO-Europe Board of Directors

Brussels, 9 March 2017

Dear European members of WFTO,

According to WFTO-Europe's Bylaws (Article VII - Nominations of the Board and Election Process):

"The WFTO-Europe Board is composed of seven (7) or nine (9) members designated by the General Assembly".

At the moment, 1 Board member has resigned, 3 out of 7 Directors end their second and last mandate and 1 ends her first mandate. Hence – as illustrated below, we invite all WFTO-Europe members to think about applying for the WFTO-Europe Board, and to offer European members a large number of 'options' to choose from.

Board of Directors	Standing for election
Giorgio Dal Fiume	End of his 2 nd and last mandate
Sophie Tack	End of her 2 nd and last mandate
Emilie Durochat	End of her 1 st mandate
Bertil Högberg	Resignation
Marijke Visser	End of her 2 nd and last mandate
Gabriella D'Amico	Still in the Board of Directors
Tadeusz Makulski	Still in the Board of Directors

It has also been previously agreed that, though not bidding or present in the Bylaws, the following general criteria should be taken into consideration by members, in order to achieve a more balanced and representative WFTO-Europe Board:

1. To consider skills, competencies and specific experience in Fair Trade of each candidate;
2. To consider the final gender Board composition;
3. To consider including in the Board the typical European Fair Trade Organisations: Importers, World shops, and Fair Trade networks.

In addition to the criteria above, the appointed Directors should ensure a good participation to the meeting and to the activities of the Board.

HOW TO APPLY

Art. VII, paragraph 4, of the WFTO-Europe Bylaws states that:

“(...) A candidate must have the written support of at least three (3) European registered members (whatever could be the country)”.

“European registered members” means “all WFTO (Global) effective members (not provisional) whose headquarters is located in Europe and whose Global and Regional annual fee (2017) is paid”.

In order to become a candidate it is possible to present the candidature, in written format, “[a]t the start of the General Assembly”. But the WFTO-Europe Board – fully coherent with the Nomination Committee’s indications – invites those who are seriously thinking about applying to present his/her application as soon as possible and at least 15 days before the AGM (that is, before November 13th). This way, all European members can be properly informed about the full list of candidates, allowing every organisation the time to think about their vote, and avoiding ‘last moment’ applications.

Attached below you can find the Application Form that has to be filled in and presented to us (along with the 3 Support Letters from WFTO-Europe registered member supporting the candidate, dully signed by its legal representative).

Please, don’t hesitate to contact us or the WFTO-Europe staff (coordination@wfto-europe.org) if you have any doubts or if you need more information about the contents of this document.
