

WFTO-Europe AGM 2017

Feedback to members

Brussels 26 June 2017

Dear WFTO-Europe members, dear friends,

Please find enclosed with this letter the minutes of the last AGM, which inaugurated a "new mode" to participate in this meeting, as it was our first "online" AGM.

We really appreciated members' participation, and we sincerely thank the people and the members' organizations attending it. We were glad to see indeed that we do not only reach the needed quorum to validate our AGM, but - much more relevant - we got an attentive participation of the people beyond the display, who raised up several questions and comments. We were delighted to feel a very warm, friendly and trustful atmosphere during the meeting, which are for us the most relevant ingredients to feed the relationship between the WFTO-Europe Board and its members, as well as the most important goal to achieve.

On behalf of WFTO-Europe Board I send to you our best wishes for a relaxing and exciting summer,

Looking forward to meeting you all in the next Extraordinary AGM in New Delhi in November 2017.

Best regards,

Giorgio Dal Fiume,
WFTO-Europe President
